MOSCOW RAYONS WILL ASSIST ELECTRIFICATION PROGRAM

SEATURSKIY RAYON -- Moskovskiy Bol'shevik, No 81, 7 Apr 49

Shaturskiy Rayon (Moscow Oblast) workers took part in the electrification of rayon kolkhozes as early as 1947. During 1948 they helped electrify three villages of Yegor'yevskiy Rayon.

In answer to the appeal of Kirovskiy Rayon of the city of Moscow they have assumed the following obligations:

1. To help electrify five kolkhozes in Korobovskiy Rayon by 1 June.
2. To organize mechanized irrigation in five kolkhozes of Shaturskiy Rayon, installing five electric pumps; a 4.5-kilometer transmission line, and laying a 5.2-kilometer water pipe.

In assuming these obligations, the workers challenged the workers of enterprises in Orekhovo-Zuyevo, Pavlovo-Posad, and Noginsk to competition.

The resolutions were signed by: Kazakov, secretary, Kikura City Committee of the VKP(b); Ivanov, chairman, the Executive Committee of the city soviet; Samkov, manager, Shatura Peat Trust; Belousov, director, Shatura Power Plant imeni Lenin; Kozlov, secretary, Party bureau; Smirnov, manager "Mostorfostruy" (Moscow Peat Construction) Trust; Sarafanov, director, Shatura Peat Enterprise; Reitsev, deputy secretary, Party bureau; Zakhrayzin, director, Petrovsko-Kobaevskiy Peat Enterprise;

Shirokov, deputy secretary, Party bureau; Sklabin, director, Tugoleskiy Peat Enterprise; Logunov, secretary, Party bureau; Uskov, director, Bakahevo Peat Enterprise; Grachev, secretary, Party bureau; Pugorskiy, chief, Peat Enterprise; Perov, secretary, Party bureau; Shelepin, director, Ryazanovskiy Construction and Assembly Enterprise; Kalgin, secretary, Party bureau;

BAUMANSKIY RAYON -- Moskovskiy Bol'shevik, No 81, 7 Apr 49

Workers of Baumanskiy Rayon of the city of Moscow have assisted in completing uniform electrification in Volokolamskiy Rayon. In response to the appeal of Kirovskiy Rayon of the city of Moscow they have assumed the following obligations:

1. To complete, during 1949, four hydroelectric power plants in Volokolamskiy Rayon including the Nikitskaya, Stromilov, Kalyayev, and Vysochkovskaya power plants. These are to replace steam-electric power plants.
2. To equip ten threshing centers not later than 1 July and do extensive work on electrifying production processes in the kolkhozes of Volokolamskiy Rayon.
3. To provide radio facilities for not less than 75 percent of the kolkhozes of Volokolamskiy Rayon by 1 July and to set up a complete radio network for the villages of the Rayon by 7 November.
4. To render maximum assistance to organizations of Volokolamskiy Rayon in the installation of telephone facilities in the kolkhozes and public institutions.

These resolutions were signed by: Baranova, secretary, Baumanskiy Rayon Committee VKP(b); Ignatov, chairman, executive committee of Rayon Soviet; Petropavlovskiy, manager of Trust; Dodukov, secretary, Party organization; Salamon, manager, "Fundamentstroy" (Foundation Construction) Trust; Gubarevich, secretary, Party organization; Solodennikov, manager, "Transvodstroy" (Construction of Water Transport Enterprises) Trust; Sobolev, secretary, Party organization; Tret'yakov, director, Threshing Combine imeni Gor'kiy;

Baranov, deputy secretary, Party organization; Dudarev, director, "Mel'mashstroy" (Grain Mill Machinery Construction) Plant; Pylayev, secretary, Party organization; Bystrava, director, Food Combine imeni Mikoyan; Mes'kina, deputy secretary, Party organization; Tusin, manager, Mobile Power Plant Trust; Gaygerov, secretary, Party organization; Andriyeshin, manager, "Soyuzteplotroy" (Union Steam-Electric Power Plant Construction) Trust; Ol'khovskiy, secretary, Party organization; Shagas director, Tower Crane Plant.

KRASNOPRESNENSKIY RAYON -- Moskovskiy Bol'shevik, No 81, 7 Apr 49

Workers of Krasnopresnenskiy Rayon of the city of Moscow assisted in the electrification of 38 kolkhozes and three MTSs of Zarayskiy Rayon. In answer to the appeal of Kirovskiy enterprises they have assumed the following obligations:

1. To electrify 47 kolkhozes during 1949 as against a plan of 22. Twenty-two of these kolkhozes are to be electrified before 1 June and 25 before the first of August.
2. To electrify 47 threshing centers by the beginning of the harvesting season.

3. To complete installation of radio facilities in 41 kolkhozes by 1 September.

They challenge workers of enterprises in Kominternovskiy and Pervomayskiy Rayons of the city of Moscow to competition.

These resolutions were signed by: Zhukova, secretary, Krasnopresnenskiy Rayon Committee of the VEP(b); Sidorov, chairman, Executive Committee of the Rayon Soviet; Sever'yanova, director, "Trekhgornaya manufaktura" (Textile Mill); Gorshkova, secretary, Party Committee; Rozenov, head, "Mashinostroitel'" (Machinery) Plant; Paraskun, secretary, Party organization; Muradov, director, "Krasnaya Presnya" Plant; Pavlova, secretary, Party organization.

KONSTANTINOVSKIY RAYON -- Moskovskiy Bol'shevik, No 75, 31 Mar 49

In 1948, two hydroelectric power plants were built in Konstantinovskiy Rayon, Moscow Oblast. Four steam-electric power plants were reconstructed and equipped. Thirty-two kolkhozes were electrified, 17 electric threshing points were set up, and 2,522 small transformer stations (elektrotochka) were installed.

Completion of the electrification of the remaining 72 villages in the rayon is scheduled for 1949. A 15-kilometer electric transmission line will be built between Krasnozavodsk and Konstantinovo. A substation with a capacity of 1,800 kilowatts will also be built.
